PROGRAMMES

JULEN FERNÁNDEZ VALLECILLOS

VIDEO GAME AND LEVEL DESIGNER GRAPHIC DESIGNER

PROFILE

Passionate about creating interactive experiences, I specialise in video game and level design with immersive aesthetics, engaging mechanics, and a minimalist approach. I am proficient in tools for building dynamic environments and intuitive paths that connect with the player from the outset, combining creativity, spatial logic, and artistic sensibility. I deeply enjoy the creative process of imagining and designing these worlds.

WORK EXPERIENCE

•Video Game Developer/Artistic Director

Verne Games - (April 2025-June 2025)

Responsibilities: designing and creating logos, modelling, building 3D environments, developing colour palettes, building and designing interfaces, creating artistic styles, creating music and sound effects, editing videos, texturing, etc.

•Graphic Designer

THONMI - Czech Republic - (February 2024-May 2024)

Responsibilities: creating summer festival posters, banners, and T-shirt designs.

EDUCATION

•Double Higher Degree in 3D Animation, Games and Interactive Environments + Technical Specialist in Video Game Art

New Digital Talent University School (September 2023/June 2025)

Acquire all kinds of knowledge in the fields of animation, film and video games and apply it professionally in the workplace.

•Science Baccalaureate

IES Valle de Lecrín, Granada (September 2021/June 2023)

Acquire all kinds of knowledge in the different fields of contemporary science.

•Elementary Degree in Music (September 2017/June 2021)

Escuela de Danza y Música del Valle de Lecrín, Granada

Acquire basic knowledge of music, as well as develop my skills on an instrument.
